Hi Davida – I think this one has advanced further and I understand from the thread below that the Minister has received the RCMP letter and may have now approved. I'm hoping to get the signed copy back for our files. Feel free to give me a call to chat on this.

Hi Janna,  
I understand from the team that these types of operational matters have been handled by the RCMP previously (see attached from last year re: NS). The team (via Darryl) have been reaching out to the RCMP for a status update + requested a bootleg.  
Let me know if this is not your understanding!  
Thanks,  
DS

Hi Davida,

Do you know when the return might come back through to us? I understand there is a Joint Ministerial presser at 1pm (Mins Blair and Mendocino) that may reference this so just want to have the signed version on file.
